Metamorphosis Franz Kafka, 2021-03-19 Franz Kafka the author has very nicely narrated the story of Gregor Samsa who wakes up one day to discover that he has metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many important stories including *The Judgement* and much of his novels *Amerika*, *The Castle*, *The Hunger Artist*. Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka's works were published and translated instantly becoming landmarks of twentieth century literature. Ironically the story ends on an optimistic note as the family puts itself back together. The style of the book epitomizes Kafka's writing. Kafka very interestingly used to present an impossible situation such as a man's transformation into an insect and develop the story from there with perfect realism and intense attention to detail. *The Metamorphosis* is an autobiographical piece of writing and we find that parts of the story reflect Kafka's own life.

The Other Side of Perfect Mariko Turk, 2021-05-11 For fans of Sarah Dessen and Mary H K Choi this lyrical and emotionally driven novel follows Alina a young aspiring dancer who suffers a devastating injury and must face a world without ballet as well as the darker side of her former dream. Alina Keeler was destined to dance but then a terrifying fall shatters her leg and her dreams of a professional ballet career along with it. After a summer healing translation eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube she is forced to trade her pre professional dance classes for normal high school where she reluctantly joins the school musical. However rehearsals offer more than she expected namely Jude her annoyingly attractive castmate she just might be falling for. But to move forward Alina must make peace with her past and face the racism she experienced in the dance industry. She wonders what it means to yearn for ballet something so beautiful yet so broken. And as broken as she feels can she ever open her heart to someone else. Touching romantic and peppered with humor this debut novel explores the tenuousness of perfectionism the possibilities of change and the importance of raising your voice.
